

Transitioning to Secondary School

Changes in Your New School

When you go to secondary school, there will be lots of things that are different from primary school. These include being surrounded by lots more students, having several different teachers and moving to different classrooms for each lesson.

You might also learn new subjects such as Spanish or Product Design.

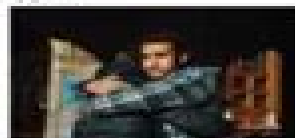

New Timetable

In your new school, you will have a new timetable. You might start the day with a form tutor who will take the register and you will have chance to get to know the other students in your form group.

You might be able to stay after school to do sports, drama or other activities. You may also stay after school to complete your homework.

During year 11, you may have extra lessons after school to prepare for exams.

Adapting

Being in a new place with new people can be difficult. However, the other Year 7 students at your school will be experiencing the same things and will feel just as nervous as you!

If you are ever struggling, you can always reach out to staff, a parent or carer, or other students for support.

Transitioning to Secondary School

Moving to Secondary School Lynda Measor, Mike Fleetham, 2005 Transfer from primary to secondary school is one of the most significant and difficult steps in a child's life This educational transition coincides with physical and emotional changes as well as significant rewiring within the brain Evidence suggests that this time is one of both profound anxiety and optimistic expectation Such strong feelings and daunting changes inevitably affect children's emotional well being and sense of self Successful transition is crucial to a child's secondary school career Pupils who fail to settle are more likely to become alienated and disruptive and suffer the well known academic dip Moving to Secondary School helps teachers to understand and ease children's anxieties and to focus on the positive The book tackles worries about organizational aspects of secondary school life such as school size timetable and workload and personal concerns about making friends being bullied and getting on with teachers It also considers how teaching differs between primary and secondary and how special programmes can offer continuity in students learning while allowing for the discontinuity that signals children becoming more grown up Working from careful background research and

case studies the book suggests short activities and longer term programmes including otaster day and fun day visits to secondary schoolsoteacher exchanges between primary and secondary schoolsospecial parents eveningsosummer holiday projects and induction activitiesoutilizing peer mentorsocreative writing role play discussion and gamesotransition passports and diariesolearning style and multiple intelligence profilesothinking skills activities for inductionoexercises to promote self confidence and improve social skills
